## Internship Program

The Center offers M.Sc students from the University of Rome "Tor Vergata" the opportunity to do an Internship at the Center before they complete their studies.

Internships entitle students up to 6 Credits, can be full time or part time and are unpaid.

The internship activities are agreed with the Center Director and may include the following:

- Research Projects
- Project Scouting
- Data and Information Gathering
- Research Grants Applications and Tenders Participation
- Organization of Conference and Other Events

Students interested in the internship program are invited to contact the Center Director, Prof Elisabetta Iossa, by sending an email to: [info@proxenter.uniroma2.it](mailto:info@proxenter.uniroma2.it);
